## Elections have changed!

In light of COVID-19, voting and elections will be different for the November 3, 2020, Presidential General Election. Orange County elections are being run differently now with **Vote Centers**.

A Vote Center is more than a traditional polling place. It's a full-service voting experience. Cast your ballot at any location, stop by on the weekend, and even register to vote. Explore all of the benefits of Vote Center voting, all designed to improve the voter experience. Polling places are no longer operated in Orange County.

### **Vote Centers will be open for 5 days**

**October 30 - November 2**  
**8am to 8pm**

**November 3**  
**7am to 8pm**

## **You must be Registered to Vote**

In order to do so online, go to the Secretary of State website at: <https://registertovote.ca.gov>.

You will be asked to provide your driver's license number and the last four digits of your social security number. You can also use this service to make any changes to your registration (such as address changes, name changes and/or changes to your party affiliation). Allow a minimum of 48 hours for online applications to process. Registration is not an instant process and requires individual review.

**The REGISTRATION DEADLINE is OCTOBER 19, 2020.**

## **Voting at Home**

All registered voters in Orange County will receive a vote-by-mail ballot. Be sure to properly sign your envelope and enclose your ballot in the provided envelopes. Use the US Postal Service. No postage is required. **Envelope must be postmarked no later than November 3, 2020.**

If you prefer to deliver your ballot in person, you can **visit any Vote Center or Ballot Drop Box.**
