IMPORTANT 10 DAY NOTICE

JAMBOREE ROAD MEDIAN TURF REMOVAL & LANDSCAPE IMPROVEMENTS

Dear Resident:

The City of Newport Beach awarded a contract to Conserve LandCare for the Jamboree Road Median Turf Removal & Landscape Improvements project. The project will remove and replace the median landscape and upgrade the current irrigation system.

The Contractor will begin the median landscape improvements in **ten days**. The project locations are identified on the reverse location map.

Your area will be under construction during the following dates:

December 3, 2018

To

March 4, 2019

If inclement weather is encountered the contractor is allowed additional working days to complete the work.

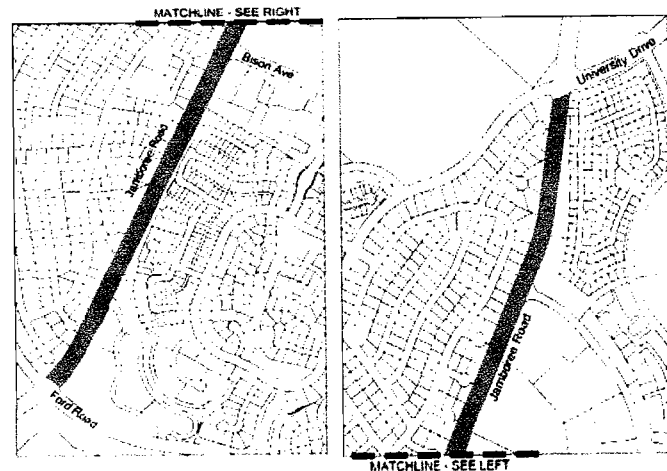

Normal working hours are limited to 7:00 a.m. to 4:00 p.m. Monday through Friday.

In order to shorten the construction duration and minimize the impact to the community, traffic restrictions at and adjacent to the work locations will be required on days that work is to be performed. Either the northbound or southbound number one lane on Jamboree Road will be closed during work hours. We request that you observe these restrictions and any other traffic controls in the area.

Exercise caution when driving and/or walking through the construction zones. Additionally, heavy equipment and construction materials tend to attract the interest of small children. Please instruct children to stay clear of all construction activities to avoid the potential for injury. Most importantly, notify us of any problems so that we can respond accordingly.

Your cooperation in making this project successful is greatly appreciated. Should you have any questions or concerns, please feel free to call:
